

MISSION / VISION / GOALS

Mission: Provide the Detroit Arsenal community with installation capabilities and services that support expeditionary operations in a time of persistent conflict, and provide a quality of life for soldiers, their families, and civilians commensurate with their service.

Vision: Quality support and service on time – all the time.

Goal 1

Develop and retain the best leaders and most professional workforce to accomplish Army, IMCOM, and Garrison goals and objectives

Goal 2

Optimize resources and employ innovative means to provide premier facilities and quality services

Goal 3

Be a streamlined agile organization that is customer-focused and results-driven in support of current and future missions

Goal 4

Build and sustain a state of the art infrastructure to support readiness and mission execution and enhance well-being of the military community
